

# EXERCISES

## Module 8 : Circular Economy

### Exercise 1 -

The European Commission's support for the production of this publication does not constitute an endorsement of the contents, which reflect the views only of the authors, and the Commission cannot be held responsible for any use which may be made of the information contained therein.

Co-funded by the  
Erasmus+ Programme  
of the European Union

# EXERCISES

## Module 8 : Circular Economy

### Exercise 1 - Open questions and puzzle (30 minutes)

- What the Blue Flag certification stands for?
- What criteria are required for the EU Ecolabel certification?
- Arrange steps in the process of obtaining a sustainability certification in the correct sequence.

### Exercise 2 - Word cloud (20 minutes)

Students should submit words they associate with sustainable tourism and display them as a word cloud to initiate discussions about common perceptions. Followed by discussion.

### Exercise 3 - Polling questionnaire and discussion (40 minutes)

- Do you think a single EU tourism label would be more effective than multiple national labels? Discuss the advantages and disadvantages of centralized versus localized certifications.
- Scenario: choose the best certification path based on the scenario where certificate is lost by a hotel due to non-compliance.

### Exercise 4 - a collaborative board (1 hour)

Students can post examples of sustainable tourism from around the world. Each student should link a short description of how these examples adhere to different sustainability criteria.
